Actions to stop doing:
- We should stop starting more tasks when there are already tasks in progress

Actions to start doing:
- We should start to document our training results and what settings we used to get them
- We should start to identify bugs in our code
- We should start announcing to the team whenever changes are committed

Actions to keep doing:
- We should continue to keep each other informed on our progress on tasks.
- We should continue to have coding sessions

Work Completed:
- Implement UI to save songs [1]
- Transfer file from AWS to user's computer [5]
- Implement Social Media plugins to connect to the user's social media accounts [3]
- Implement UI buttons to connect and share songs [2]
- Generate/load URLs to begin at a specific track [5+]
- Upload Vertical parallax design template in React [1]
- Finish up design mockup in Illustrator [2]
- Implement design [4]
- Use JavaScript/React or plugins to implement custom audio controls [3]
- Use CSS to style the controls to blend into the design[4]

Work Not Completed:
- N/A

Work Completion Rate:
- User Stories Completed: 4/4
- Ideal Work Hours Completed: 30
- Days Spent: 14
- User Stories Per Day This Sprint: .29
- Ideal Work Hours Per Day This Sprint: 2.14
